## PACE Funding Program Disclosures

---

The California Statewide Communities Development Authority (the "Authority") PACE Funding Program (the "Program") finances installation of renewable energy, energy or water efficiency products, or electric vehicle charging infrastructure that are permanently fixed to a property owner's real property ("Eligible Products"). Eligible Products will be financed upon the signing of an assessment contract between the Authority and the property owner ("Assessment Contract"). The Authority has retained PACE Funding, LLC ("PACE Funding") to facilitate the Program, and you will see this name throughout the Program materials. The Authority and PACE Funding are referred to collectively therein as "Program Administrator."

### Disclosures

The following describes some (but not all) characteristics and risks of participation in the Program as well as laws to which the Program is subject. A full understanding of any item listed below can be gained only by reviewing the relevant laws, policy statements, and/or the contractual documents related to the Program. The Program Administrator is committed to your understanding each of the items listed below before you enter into an Assessment Contract, and invites you to consult with your own legal counsel and ask Program representatives any questions regarding these items or if you need copies of any document related to the Program.

#### I. Program Disclosures and Disclaimers

- a. **Existing Mortgage.** The Program establishes the manner by which the Authority may finance, pursuant to Chapter 29 of Part 3 of Division 7 of the California Streets and Highways Code (commencing with Section 5898.10), the installation of Eligible Products. Eligible Products will be financed pursuant to an Assessment Contract between you and the Authority.

BEFORE COMPLETING A PROGRAM APPLICATION, YOU SHOULD CAREFULLY REVIEW ANY MORTGAGE AGREEMENT(S) OR OTHER SECURITY INSTRUMENT(S) WHICH AFFECT THE PROPERTY OR TO WHICH YOU AS THE PROPERTY OWNER ARE A PARTY. ENTERING INTO A PROGRAM ASSESSMENT CONTRACT WITHOUT THE CONSENT OF YOUR EXISTING LENDER(S) COULD CONSTITUTE AN EVENT OF DEFAULT UNDER SUCH AGREEMENTS OR SECURITY INSTRUMENTS. DEFAULTING UNDER AN EXISTING MORTGAGE AGREEMENT OR SECURITY INSTRUMENT COULD HAVE SERIOUS CONSEQUENCES TO YOU, WHICH COULD INCLUDE THE ACCELERATION OF THE REPAYMENT OBLIGATIONS DUE UNDER SUCH AGREEMENT OR SECURITY INSTRUMENT. IN ADDITION, FANNIE MAE AND FREDDIE MAC, THE OWNER OF A SIGNIFICANT PORTION OF ALL HOME MORTGAGES, STATED THAT THEY WOULD NOT PURCHASE HOME LOANS WITH ASSESSMENTS SUCH AS THOSE OFFERED BY the Authority. THIS MAY MEAN THAT PROPERTY OWNERS WHO SELL OR REFINANCE THEIR PROPERTY MAY BE REQUIRED TO PREPAY SUCH ASSESSMENTS AT THE TIME THEY CLOSE THEIR SALE OR REFINANCING.

*If your lender requires an impound for your property taxes, please consider notifying them of the annual assessment payment amount so they can adjust your impound amount.*

- b. **Homeowners Associations.** Properties within Homeowners Associations ("HOA") are eligible, subject to HOA restrictions. It is the Property Owner(s) sole responsibility to ensure that the installed products meet all HOA requirements. The Program and Program Administrators are not responsible for any claims made by an HOA. If a HOA requires a Property Owner to remove and or modify any improvements financed by the Program, the Property Owner is still responsible for making payments as agreed in the PACE Assessment Contract.
- c. **Interest Rate.** You will be charged a fixed interest rate on your total financed amount. Your interest rate will be set at the time your financing documents are issued. Interest rates may change from the approval date to the date the Assessment Contract is signed.

## PACE Funding Program Disclosures

---

- d. **Program Origination Fee.** At the time of closing, the Authority will charge you a one-time administration fee of 5.95% of the principal amount of the assessment on the Property to cover the costs of administering the Program. This fee will be added to the assessment amount
- e. **Lien Recording Fee.** At the time of closing, the Authority will pass through the assessment recording fee of \$100.00 to you to cover the costs of recording the assessment. This fee will be added to the assessment amount.
- f. **Loan Loss Reserve Account.** At the time of closing, the Authority will pass through the assessment recording fee of \$95.00 to you to cover the costs of maintaining a loss reserve account for all assessments that are recorded under the Program.
- g. **Foreclosure Expense Reserve Account.** At the time of closing, the Authority will pass through the foreclosure expense reserve payment of \$10.00 to you to cover the costs of participating in the state PACE foreclosure loss recovery program.
- h. **Annual Assessment Administration Fee.** Each year, an annual assessment administrative fee will be added to the assessment lien amount on your property tax bill. Currently these costs are \$45.00 and there will be adjustments in subsequent years for cost of living increases, not to exceed \$95.00. PACE Funding will provide at 90 days advance notice before modifying the Annual Assessment Administration Fee.
- i. **Interest Before First Payment:** Based on the date an assessment is recorded on your property the payment of assessment installments may not begin until the following year's property tax bill. As a result interest will be added to the assessment amount for the period between your closing date and the date of your first assessment payment. The maximum amount of interest will be listed on your Final Payment Summary, which will be provided with your financing documents.
- j. **Automated Valuation Model Disclosure.** You have the right to a copy of the automated valuation model (AVM) report used in connection with your application for credit. If you want to obtain a copy, please email or write to us at the address we have provided. We must hear from you no later than 90 days after we provide you with a notice of the action taken on your application or a notice of incompleteness, or in the case of a withdrawn application, 90 days after the withdrawal. An AVM is not an appraisal. It is a computerized property valuation system that is used to derive a real property value.
- k. **Foreclosure.** Not later than October 1 each year, the Authority shall determine whether any annual assessment installment is not paid when due and shall have the right and obligation to order that any such delinquent payment, penalties, interest, and associated costs be collected by an action brought in Superior Court to foreclose the lien of such delinquent assessment installment in the manner provided and to the extent permitted by applicable law.
- l. **Prepayment.** You have the option to pay off your assessment in full or in any amount at any time; however, partial prepayments in an amount less than \$2,500 are subject to a fee for the cost of administering the prepayment and the redemption of bonds. A prepayment is calculated to include the principal amount of the assessment to be prepaid (Assessment Prepayment Amount) and interest on the Assessment Prepayment Amount to the earlier of March 2nd or September 2nd occurring at least 50 days following the date the prepayment is made.
- m. **No Endorsement, Warranty or Liability.** The Authority and the Program do not endorse any manufacturer, contractor, product, or system, or in any way warranty such equipment, installation, or the efficiency or production capability of any equipment. The Authority and the Program make no representations and have no responsibility regarding the equipment and its installation, including the quality, safety, cost savings, efficiency or production capability of any equipment; or any compliance of the equipment or its installation with any applicable laws, regulations, codes, standards or requirements. Further, the Authority and the Program shall not be in any way liable for any incidental or consequential damages resulting from the equipment or its installation.
- n. **Validation.** The Program may validate that installed Eligible Products meet Program eligibility requirements including requiring the applicant to provide additional sales receipts, contractor invoices, serial numbers or other identifying details, portions of packages or stickers originally attached to the installed Eligible Products within 30 days of project completion beyond what the Program already requires to be provided. The Program reserves the right to perform independent on-site validation(s) of any Eligible Products financed by the Program up to 90 days after installation even if permit inspections have already been completed. If a validation visit is required, Program staff will schedule any such on-site validation visit with the property owner, at any reasonable time and

with reasonable notice. In addition, the Program reserves the right to perform online monitoring of any installed renewable energy systems' generation data, if applicable, as well the tracking of energy consumption impacts and utility usage for any installed/financed product via property utility bill data for the twelve months preceding and twelve months after project completion. You, by submitting this application, consent to any such onsite validations, online monitoring, and utility bill energy usage analysis. By submitting this application, you also agree to sign the authorization form to participate in utility billing energy usage analysis to measure Program impact savings and participant satisfaction.

- o. **Patriot Act Disclosure.** To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: As part of applying to the Program, the Authority may be required to ask for your name, address, date of birth, and other information that will allow it to identify you. The Authority may also need a copy of the driver's license or other identifying documents from any and all borrowers and guarantors.
- p. **Communications with Legal Advisers.** If you have any questions about any agreements or security instruments which affect the Property or to which you are a party, or about your authority to execute the Program Application or enter into an Assessment Contract with the Authority without the prior consent of your existing lender(s), the Program strongly encourages you to consult with your own legal counsel and your lender(s). Program staff cannot provide you with advice about existing agreements or security instruments.
- q. **Monitoring and Recording Telephone Calls.** The Program may monitor or record telephone calls for security and customer service purposes. By applying for PACE Funding Financing, you consent to have any phone conversations with the Program recorded or monitored.
- r.

**CALIFORNIA STATEWIDE COMMUNITIES DEVELOPMENT AUTHORITY  
OPEN PACE PROGRAM**

**ASSESSMENT CONTRACT**

**THIS ASSESSMENT CONTRACT** (this “Contract”), dated as of [TodayDate], is by and between the California Statewide Communities Development Authority (the “Authority”), and the record owner[s], [Owner1][Owner2] (the “Property Owner”) of the fee interest in the real property described on Exhibit A (the “Property”).

**RECITALS**

**WHEREAS**, the Authority is a joint exercise of powers authority, the members of which include numerous cities and counties in the State of California;

**WHEREAS**, the Authority has established the California Statewide Communities Development Authority Open PACE Program (the “Program”) to allow the financing or refinancing of certain distributed generation renewable energy sources, energy efficiency improvements, water efficiency improvements, seismic strengthening improvements, electric vehicle charging infrastructure and such other work, infrastructure or improvements as may be authorized by law from time to time that are permanently fixed to real property (the “Authorized Improvements”) through the levy of contractual assessments pursuant to Chapter 29 of Division 7 of the California Streets & Highways Code (“Chapter 29”) and the issuance of improvement bonds under the Improvement Bond Act of 1915 (California Streets and Highways Code Section 8500 and following) (the “1915 Act”) upon the security of the unpaid contractual assessments;

**WHEREAS**, Chapter 29 provides that assessments may be levied under the provisions thereof only with the free and willing consent of the owner of each lot or parcel on which an assessment is levied at the time the assessment is levied pursuant to a contract between the property owner and the public agency;

**WHEREAS**, the Authority has conducted the proceedings required by Chapter 29 with respect to the territory within the boundaries of the City or County identified in Exhibit A (the “Participating Entity”);

**WHEREAS**, the Authority has appointed PACE Funding Group LLC, as a program administrator (together with any successors thereto, the “Program Administrator”) for the Program as it pertains to this Contract;

**WHEREAS**, the Property is located in the boundaries of the Participating Entity, and the Participating Entity has consented to (a) owners of property within its jurisdiction (the “Participating Property Owners”) participating in the Program and (b) the Authority conducting assessment proceedings under Chapter 29 and issuing bonds under the 1915 Act to finance or refinance the Authorized Improvements; and

**WHEREAS**, pursuant to Chapter 29, the Authority and the Property Owner desire to enter into this Contract, pursuant to which the Property Owner will agree to pay an assessment in order to finance or refinance the installation of the Authorized Improvements described in Exhibit B (the

“Improvements”) and the Authority will agree to provide financing, all on the terms set forth in this Contract;

**NOW, THEREFORE**, in consideration of the foregoing and the material covenants hereinafter contained, the Property Owner and the Authority formally covenant, agree and bind themselves and their successors and assigns as follows:

## **AGREEMENT**

**Section 1. Purpose.** The Property Owner and the Authority are entering into this Contract for the purpose of financing or refinancing the installation of the Improvements identified on Exhibit B.

**Section 2. The Property.** This Contract relates to the Property, which is described on Exhibit A. The Property Owner has provided to the Authority evidence that the Property Owner is the owner of the fee interest in the Property and possesses all legal authority necessary to execute this Contract. The Property Owner agrees not to suffer or permit any change in such ownership or legal authority prior to completion of the Improvements.

### **Section 3. Assessment; Bonds; Installment; Prepayment; Collection.**

(a) *The Assessment.* The Property Owner hereby freely and willingly agrees that an assessment in the amount specified in Exhibit B (the “Assessment”) shall be levied by the Authority on the Property pursuant to Chapter 29. The Assessment set forth in Exhibit B is an estimate only and will be modified and finalized by means of an Addendum to this Contract in substantially the form set forth as Exhibit C hereto (the “Addendum”) upon completion of the Improvements. If no Addendum is required then the estimated Assessment set forth in Exhibit B shall become the final Assessment upon completion of the Improvements. The amount of the Assessment shall be the amount specified in Exhibit B, which includes an amount to pay the costs of the Improvements, an amount to pay incidental expenses and, if so specified in Exhibit B, an amount for capitalized interest on bonds to be issued. The Property Owner acknowledges and agrees that the amount of the Assessment does not exceed the special benefit conferred on the Property by the installation of the Improvements thereon.

(b) *Bonds.* The Authority hereby determines that serial bonds, term bonds or both (the “Bonds”) shall be issued as provided in the 1915 Act to represent and be secured by the Assessment to pay the cost of the Improvements. The per annum interest rate borne by the Bonds shall not exceed the Maximum Interest Rate specified in Exhibit B. The final maturity date of the Bonds shall be no later than the Final Maturity Date specified in Exhibit B.

(c) *Interest; Assessment Installments.* Interest on the Assessment shall begin to accrue as of the date on which the Improvements are completed (as evidenced by a fully-executed “Completion Certificate”), and shall be computed at the Maximum Interest Rate. For the period of time between when the Completion Certificate is signed by the Property Owner and September 2, [first year of payment], the accrued interest will be calculated at the Maximum Interest Rate, capitalized and included in the amount of the Assessment (“Capitalized Interest”). The unpaid Assessment shall be payable in annual installments corresponding in number and in a proportionate amount to the number of installments and principal amount of Bonds maturing or becoming subject to mandatory prior redemption in each year. An annual proportion of the Assessment shall be payable in each fiscal year preceding the date of maturity or mandatory prior redemption date of each of the Bonds, sufficient to pay the pro rata share of the Bonds when due.

(d) *Collection.* The annual proportion of the Assessment coming due in any year, together with the annual interest thereon, shall be payable in the same manner and at the same time and in the same installments as the general taxes on real property are payable, and have the same priority, become delinquent at the same time and in the same proportionate amounts and bear the same proportionate penalties and interest after delinquency as do the general taxes on real property.

(e) *Administrative Expenses.* In addition to the annual installment of the Assessment described in subsection (c) of this Section, the Authority shall, in accordance with and subject to the limitations contained in Section 8682 and Section 8682.1 of the 1915 Act, add thereto amounts in order to pay for the costs of collecting the Assessment, the annual administration of the Assessment, the annual administration of the Bonds and other administrative costs (the “Annual Assessment Administrative Fee”).

(f) *Prepayment of the Assessment.* The Assessment may be prepaid, in whole or in any amount, at any time upon the payment of (i) the amount of any delinquent installments of principal or interest on the Assessment, together with penalties accrued to the date of prepayment, plus (ii) the whole or a portion of the unpaid non-delinquent principal of the Assessment (the “Assessment Prepayment Amount”), plus (iii) interest on the Assessment Prepayment Amount to the earlier of March 2 or September 2 occurring at least 50 days following the date the prepayment is made, plus (iv) an amount equal to the redemption premium, if any, necessary to redeem the principal amount of Bonds corresponding to the amount of the Assessment Prepayment Amount, plus (v) a reasonable fee, if charged by the Authority or Program Administrator, for the cost of administering the prepayment and the redemption of bonds, which shall be waived if the prepayment amount is at least \$2,500.

(g) *No Reduction or Offset.* The Property Owner hereby acknowledges and agrees that the Assessment will not be subject to reduction, offset or credit of any kind in the event that the Improvements fail to perform in any way or for any reason.

**Section 4. Lien; Foreclosure.**

(a) *Lien.* The Assessment, and each installment thereof and the interest and penalties thereon shall constitute a lien against the Property until they are paid, which lien shall be coequal to and independent of the lien for general taxes.

(b) *Foreclosure.* The Property Owner acknowledges and agrees that if any Assessment installment is not paid when due, the Authority has the right to have such delinquent installment and its associated penalties and interest stripped off of the secured property tax roll and immediately enforced through a judicial foreclosure action that could result in a sale of the Property for the payment of the delinquent installments, associated penalties and interest, and all costs of suit, including attorneys’ fees. The Property Owner acknowledges that the Authority may obligate itself, through a covenant with the owners of the Bonds, to exercise its judicial foreclosure rights with respect to delinquent Assessment installments in the manner and within the time frame specified in such covenant.

**Section 5. Financing or Refinancing of the Improvements.** The parties hereby agree that the net proceeds of the Bonds allocable to the Assessment shall be used to finance or refinance the Improvements.

**Section 6. Term; Contract Runs with the Land; Division.** (a) Except as otherwise set forth in this Contract, this Contract shall expire upon the final payment or prepayment of the Assessment.

(b) This Contract establishes rights and obligations that are for the benefit of the Property and, therefore, such rights and obligations run with the land pursuant to Civil Code Section 1462.

(c) The obligation to pay the Assessment is an obligation of the Property and no agreement or action of the Property Owner shall be competent to impair in any way the Authority's rights, including, but not limited to, the right to pursue judicial foreclosure of the Assessment lien or the right to enforce the collection of the Assessment or any installment thereof against the Property.

(d) In the event the Property is divided while the Assessment remains unpaid and all of the special benefit of the Improvements remain with one subdivided parcel, then such parcel shall be apportioned 100% of the Assessment. In the event the Property is divided while the Assessment remains unpaid and all of the special benefit of the Improvements does not remain with one subdivided parcel, then the Assessment shall be prepaid in accordance with the terms hereof.

**Section 7. Recordation of Documents.** The Authority shall record or cause to be recorded in the office of the County Recorder the various notices and other documents required by Chapter 29 and other applicable laws to be recorded against the Property.

**Section 8. Notice.** To the extent required by applicable Law, the Property Owner shall provide written notice to any subsequent purchaser of the Property, or a portion thereof, of the obligation to pay the Assessment.

**Section 9. Waivers, Acknowledgment and Contract.**

(a) Since the Assessment is voluntary and imposed, in accordance with Chapter 29, pursuant to this Contract, the Property Owner hereby waives any otherwise applicable requirements of Article XIII D of the California Constitution, or any other provision of California law, for an engineer's report, notice, public hearing, protest or ballot.

(b) The Property Owner hereby waives its right to repeal the Assessment by initiative or any other action, or to file any lawsuit or other proceeding to challenge any aspect of the Assessment or any aspect of the proceedings of the Authority undertaken in connection with the Program. The Property Owner hereby agrees that the Property Owner and its successors in interest to fee title in the Property shall be solely responsible for the installation, operation and maintenance of the Improvements. The Property Owner hereby acknowledges that the Property will be responsible for payment of the Assessment regardless of whether the Improvements are properly installed, operated, maintained or perform as expected.

(c) The Property Owner hereby agrees that the Authority is entering into this Contract solely for the purpose of assisting the Property Owner with the financing or refinancing of the installation of the Improvements, and that neither the Authority nor the Participating Entity has any responsibility of any kind for, and shall have no liability arising out of, the installation, operation, financing, refinancing, maintenance or performance of the Improvements. The Property Owner hereby waives the right to recover from and fully and irrevocably releases the Authority, the Participating Entity and any and all agents, employees, program administrators, attorneys, representatives and

successors and assigns of the Authority and the Participating Entity from any and all losses, liabilities, claims, damages (including consequential damages), penalties, fines, forfeitures, costs and expenses (including all reasonable out-of-pocket litigation costs and reasonable attorney’s fees), relating to the subject matter of this Contract that the Property Owner may now have or hereafter acquire against the Authority, the Participating Entity and any and all agents, employees, program administrators, attorneys, representatives and successors and assigns of the Authority or the Participating Entity.

(d) To the extent that the foregoing waivers and agreements are subject to Section 1542 of the California Civil Code or similar provisions of other applicable law, it is the intention of the Property Owner that the foregoing waivers and agreements will be effective as a bar to any and all losses, liabilities, claims, damages (including consequential damages), penalties, fines, forfeitures, costs and expenses (including all reasonable out-of-pocket litigation costs and reasonable attorney’s fees), of whatever character, nature and kind, known or unknown, suspected or unsuspected, and Property Owner agrees to waive any and all rights and benefits conferred upon the Property Owner by the provisions of Section 1542 of the California Civil Code or similar provisions of applicable law. Section 1542 reads as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.”

BY INITIALING BELOW, OWNER HEREBY WAIVES THE PROVISIONS OF SECTION 1542 SOLELY IN CONNECTION WITH THE MATTERS WHICH ARE THE SUBJECT OF THE FOREGOING WAIVERS AND RELEASES.

Property Owner 1 Initials: [Owner1]

Property Owner 2 Initials: [Owner2]

(e) Property Owner hereby represents that the total amount of all current annual property taxes and assessments on the Property, including the Assessment, does not exceed five percent (5%) of the Property's current market value.

(f) The waivers, releases, representations and agreements set forth in this Section shall survive termination of this Contract.

**Section 10. Indemnification.**

(a) The Property Owner agrees to indemnify, defend, protect, and hold harmless the Authority, the Participating Entity and any and all agents, employees, program administrators, attorneys, representatives and successors and assigns of the Authority or the Participating Entity, from and against all losses, liabilities, claims, damages (including consequential damages), penalties, fines, forfeitures, costs and expenses (including all reasonable out-of-pocket litigation costs and reasonable attorney’s fees) and any demands of any nature whatsoever related directly or indirectly to, or arising out of or in connection with (i) the Property Owner’s participation in the Program, (ii) the Assessment, (iii) the Improvements, or (iv) any other fact, circumstance or event related to the subject matter of this Contract, regardless of whether such losses, liabilities, claims, damages (including consequential

damages), penalties, fines, forfeitures, costs and expenses (including all reasonable out-of-pocket litigation costs and reasonable attorney's fees) accrue before or after the date of this Contract.

(b) The provisions of this Section shall survive the termination of this Contract.

**Section 11. Right to Inspect Property.** The Property Owner hereby grants the Authority, its agents and representatives the right to enter at any reasonable time, upon reasonable notice, to inspect the Improvements. The Property Owner further hereby grants the Authority, its agents and representatives the right to examine and copy any documentation relating to the Improvements.

**Section 12. Carbon Credits.** The Property Owner hereby agrees that any carbon credits attributable to the Improvements shall be owned by PACE Funding Group LLC or its assignee.

## EXHIBIT D

### ACKNOWLEDGEMENT OF FEDERAL HOUSING FINANCE AGENCY'S POSITION ON PACE ASSESSMENTS AND ISSUES RELATED THERETO

In May, 2010, Fannie Mae and Freddie Mac, government sponsored enterprises that purchase a large segment of conforming single family home mortgages from lending institutions, issued new instructions to lending institutions on how to treat properties with assessments under Property Assessed Clean Energy (“PACE”) programs such as this one administered by PACE Funding Group, LLC. These letters, and additional statements issued by the Federal Housing Finance Agency, the agency that regulates single family home lenders among other things, instruct lenders to treat energy assessments as “loans” instead of “assessments.”

On August 31, 2010, the agencies issued additional instructions to lenders to the effect that Fannie Mae and Freddie Mac “will not purchase mortgage loans secured by properties with an outstanding PACE obligation.”

These letters and statements may lead lenders to conclude the PACE assessment should be paid off before a property transfers or is refinanced. In addition, it may lead some lenders to conclude that participating in a PACE program is a violation of typical mortgage terms prohibiting senior liens without lender consent. If you are selling your property, a buyer’s lender may refuse to finance the buyer’s first mortgage loan unless the assessment is paid off. We urge you to carefully read the disclosure information in the Program application, review your mortgage documents, evaluate the risks of proceeding with an application at this time, and contact your lender if you have any concerns or for information regarding any other financing options that may be available to you.
